Company Press Release

Nova to Present at Upcoming Investor Conferences

Rehovot, Israel, May 15, 2017 - Nova (Nasdaq: NVMI), a leading innovator and a key provider of metrology solutions for advanced process control used in semiconductor manufacturing, announced today that Mr. Dror David, Chief Financial Officer, will participate at two upcoming investor conferences:

- Benchmark Company, LLC One-on-One Conference at the Palmer House Hilton in Chicago on June 1, 2017. Mr. David will be available for one-on-one meetings with institutional investors throughout the conference. Interested investors should contact their Benchmark representative to schedule a meeting.
- Stifel 2017 Technology, Internet & Media Conference at The Fairmont San Francisco. Mr. David is scheduled to present on June 5, 2017 at 2:25 p.m. (PT) and will conduct one-on-one meetings that day. Interested investors should contact StifelCorporateEvents@stifel.com.

About Nova: Nova delivers continuous innovation by providing advanced metrology solutions for the semiconductor manufacturing industry. Deployed with the world's largest integrated-circuit manufacturers, Nova's products deliver state-of-the-art, high-performance metrology solutions for effective process control throughout the semiconductor fabrication lifecycle. Nova's product portfolio, which combines high-precision hardware and cutting-edge software, supports the development and production of the most advanced devices in today's high-end semiconductor market. Nova's technical innovation and market leadership enable customers to improve process performance, enhance products' yields and accelerate time to market. Nova acts as a partner to semiconductor manufacturers from its offices around the world. Additional information may be found at www.novameasuring.com.

Nova is traded on the NASDAQ & TASE under the symbol NVMI.
